

September 2017

Parents,

With our children's safety in mind, here are a few reminders when using the carpool line.

- Please obey all stop signs when driving through the neighborhood.
- Be aware of the speed limit when entering the school zone. There should be no speeding in the neighborhood; we have students walking and riding their bicycles to and from school.
- Do not block any residential driveways while waiting in carpool line.

Thank you,  
ZES Administration
