Dear Parents and Guardians,

Welcome back to a New Year of learning, discovery, and success. I hope that you enjoyed the holiday break. A New Year brings new beginnings and a fresh start. We are looking forward to a productive and rewarding remainder of the academic year. The return from holiday break provides us with a great opportunity to review and rework routines and procedures for continued success. At ZES, we value hard work and dedication. The hard work is the responsibility of us all – teachers, students, staff, families, and administrators. I know together we can make learning an exciting adventure! Help us reinforce good attendance by being punctual and sending your children to school each and every day. Attending school regularly helps students feel better about school and themselves. There is a powerful link between successful learning and regular school attendance.

We hope this New Year brings your family much happiness and good health! As always, please know how much we appreciate your support.

Your partner in education,  
Ms. Thomas
