

# ZACHARY ELEMENTARY

## Carpool and Bus Line Safety

### **CARPOOL**

- During arrival, students should remain seated and restrained in their vehicles until they arrive at an orange cone. Staff members are positioned at each cone to receive students.
- During dismissal, students will sit in lines a safe distance behind our car pool driveway and the loading cones.
- Staff members are positioned at each cone to receive students.
- The staff member will wait until the car comes to a complete stop before opening the vehicle door.

### **BUS**

- During arrival, staff members will unload buses and monitor students as they transition to their classrooms.
- During dismissal, students are walked by a teacher to the bus loading area in bus lines.
- Students use major walkways to maneuver between the two bus rows. Students are not to cut in-between buses.
